

ESSENTIALS OF ILLINOIS SCHOOL FINANCE

A Guide to Techniques, Issues and Resources, by James B. Fritts

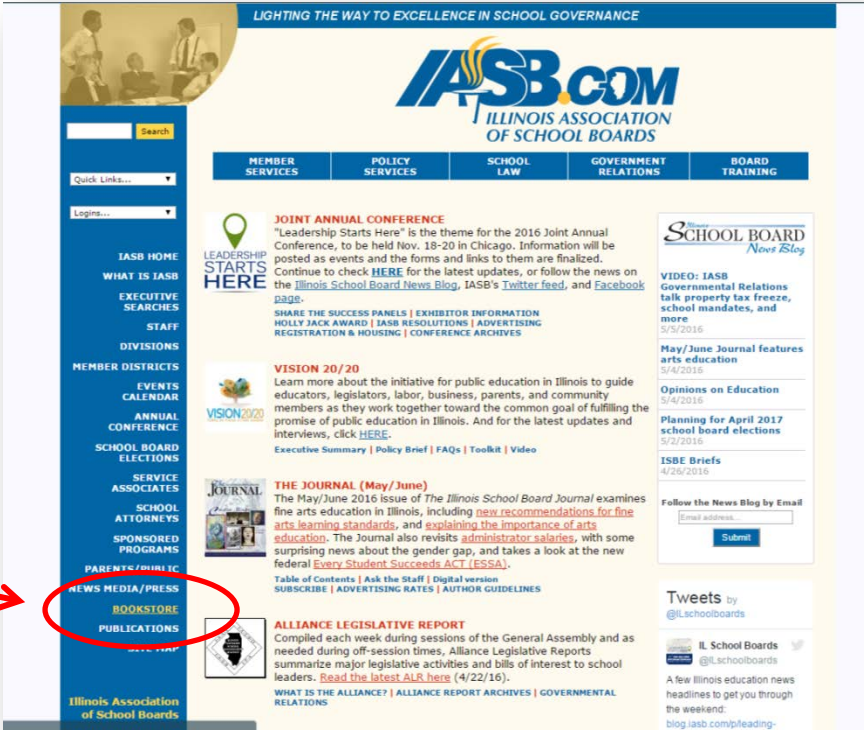

In order to meet the timelines of our university customers, this Special Edition is available exclusively as an “eBook.” The price (\$35) remains the same as the last edition, and will be available until the Seventh Edition can be published in its traditional print format.

University bookstores will not be involved in the sales. Rather, students and professors can buy the book directly from Amazon.com and download it onto any device – Kindle, smartphone, tablet, or computer. Offering a search function and utilities such as bookmarking, highlighting, note-taking, and live links, Kindle apps (which are free) optimize the user experience for *Essentials of Illinois School Finance*.

The scope and purpose of the book, sub-titled “A Guide to Techniques, Issues and Resources,” remains the same.

Questions regarding the Special Edition of *Essentials of Illinois School Finance* can be directed to IASB, by calling 217 528-9688, ext. 1131, or by emailing: srotherham@iasb.com.
